♥ VENN DIAGRAM CRAFT ♥

TEACHER DIRECTIONS

1 PREPARE MATERIALS

- Print the Venn diagram template and labels.
- Gather scissors, glue, and writing tools.

2 CHOOSE TOPICS

- Students choose two topics to compare. Write each topic on the "Topic 1" and "Topic 2" labels.

3 WRITE

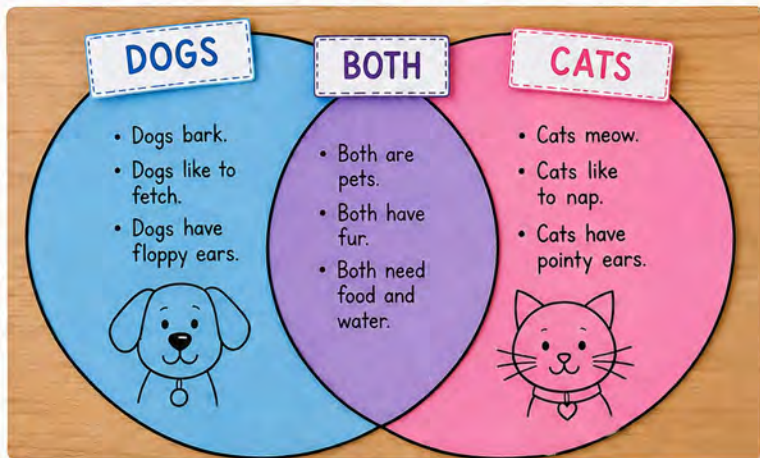

- Students write how each topic is different in the outer circles and how they are the same in the middle section.

4 ASSEMBLE THE VENN DIAGRAM

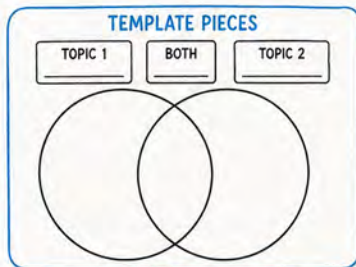

- Cut out the Venn diagram pieces.
- Print the left and right circles on different colors (such as blue and pink), or have students color each circle a different color.
- To create the center "Both" section, glue the circles together so the overlap combines the two colors, or color the center by blending the two circle colors.
- Glue the labels at the top of each section.

5 DISPLAY & SHARE

- Students share their Venn diagram with the class or a partner.

TEMPLATE PIECES

TEACHER TIP

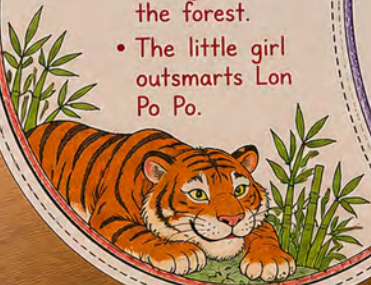

Printing the circles on two different colors or having students color them makes the overlap section a visual reminder of how the topics are connected!
