The Snowy Day

Snow Globe Story Sequence Craft

Teacher Directions

Learning Focus

- Identify the beginning, middle, and end of the story
- Retell the important events in sequential order
- Make text-to-self connections by comparing experiences
- Reinforce comprehension through a hands-on craft

Materials

- Snow globe top
- Snow globe bottom (My Snowy Day)
- Cut-out pictures page
- Crayons or markers
- Scissors
- Glue
- Construction paper (optional for backing)

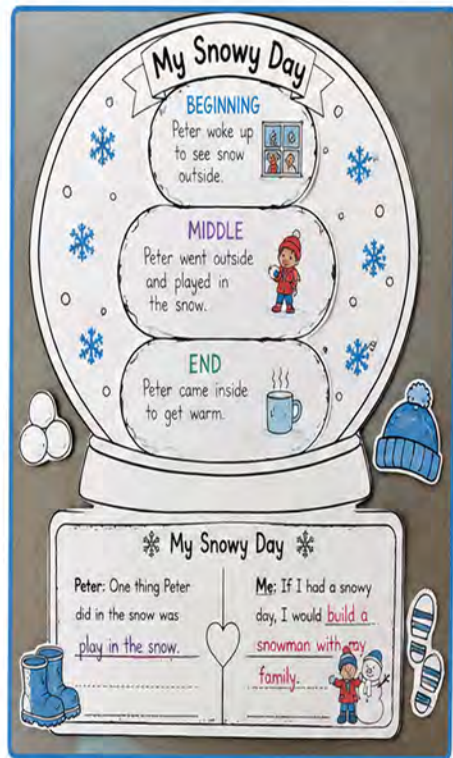

Prep

- Copy the snow globe top and bottom templates on white paper.
- Copy the cut-out pictures page.
- Optional: Copy on white card stock for durability.

Steps

1. **Read the Story** – Read The Snowy Day together.
2. **Discuss** – Talk about the beginning, middle, and end of the story.
3. **Fill in the Snow Globe** – Students draw and write an important event from the beginning, middle, and end in each section of the snow globe top.
4. **Text-to-Self Connection** – Students complete the "My Snowy Day" section by comparing Peter's experience to their own.
5. **Decorate** – Color and cut out the snowflakes and winter objects.
6. **Assemble** – Glue the snow globe top to the "My Snowy Day" bottom piece. Add the cut-out pictures around the globe.
7. **Share** – Students can share their snowy day stories with a partner or the class!
